(mark your preference with an X)

the plant sent to me with the goods purchased and confirmed at the retailer's *

* for logistical and transport reasons, the plant can be sent to nations belonging to the European Union, specifically those nations served directly by transport companies delivering for RIVA 1920. The company's estimate and decision on transport feasibility is final and taken in the interests of not damaging or compromising the health of the plant.

long distance adoption means that the plant will be kept and cultivated in beds at the nurseries at RIVA Farm, Cucciago (Como) – Italy.

For acceptance.
